

**If you have a successful career in the Graphic Design industry and have always wanted a piece of the action, this is your opportunity.**

We are a new start-up organizing the “I am a K-Pop Star Indonesia 2024” event. We are looking for exceptional graphic designers, who are passionate about music festivals and concerts. He/she will rise to our standards while bringing their unique designs to the table. This is an expanding, innovative company opportunity to work with a team of dedicated and experienced professionals dedicated to creating one-of-a-kind music festivals and contests. How many times have you helped build successful events and realized that you had no share in their true value? This will be your golden opportunity to get your skin in the game.

**Job Title: Graphic Designer**

**Location: Jakarta, Indonesia (Hybrid)**

**Job Type: Part-time**

**Key Responsibilities:**

- Provide creative direction on all projects, ensuring that all work aligns with event objectives, audience and guidelines.
- Maintaining a consistent look across different platforms.
- Oversee the design process from concept through execution, ensuring projects are delivered on time and within budget.
- Work directly with Sales and Marketing teams to understand their vision and requirements and ensure their needs are met with high creative standards.
- Ability to communicate and work with external stakeholders such as vendors, media partners and community partners to align design materials for offline and online channels
- Keep up with the latest trends and incorporate them into your artwork to keep it fresh and relevant. It's also essential to get creative while testing out different visuals on various platforms to ensure we achieve the desired results.

- Actively present and discuss ideas with all sorts of teams.

**Qualifications and Requirements:**

- Inherent ability to work seamlessly under pressure while adapting to ever-changing scenarios.
- Proven problem-solving capabilities - anticipating, initiating, and resolving issues.
- Meticulous attention to details.
- Excellent time management.
- Organizational skills to manage multiple projects.
- Ability to travel when required.

**Preference will be given to those who also have:**

- An undergraduate degree or higher in a field relevant to the role.
- Experience in designing materials for concerts, festivals and performance events.
- Experience in working with external partners, suppliers, and vendors to design simultaneously with external teams
- Excellent verbal and written Indonesian(Bahasa) and English communication skills.
- Proficiency in Bahasa, Chinese, Japanese, Korean, and other language(s) is a plus.
- Computer literacy in Microsoft Offices, Canvas, Adobe AI(or PS).

**Compensation:** Commensurate with the work experience plus a performance bonus
